

SPECTRUM

VISIBILITY & PROTECTION

With its bi-material frame and adjustable strap, Spectrum offers superior protection and adaptability. Available in two sizes, Spectrum is a versatile product with different frame types and lens coatings to provide a solution for every company, regardless of their specific work environment. Its sporty design and optimised ergonomics also ensure greater acceptance for enhanced safety and productivity.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
